Ref. No.: Ajay/Cert/20-21/

Date: 19.02.2021

TO WHOM IT MAY CONCERN

Parvesh Exports Private Limited, has Niger Seed Cleaning and Disinfection Unit in MIHAN SEZ Area at Plot No. 22, Sector - 18, Mihan - SEZ, Nagpur - 441108, Maharashtra and approached for certification of the materials requirement for authorized operations in process area for said unit. Er Ajay Kumar Singh, Chartered Engineers visited to inspect the unit on 03.02.2021 (Wednesday) to verify the one time and annual materials requirements of the unit. The Company Representative Sri Ranjan Das, who accompanied during unit inspection.

Company provided the following three list of materials of Niger Processing Unit required for authorizes operations in process area.

- 1) Materials for installation of Fire Fighting System - One time requirement
- 2) Miscellaneous material requirements for Unit - One time and Regular requirements.

The list of materials provided by company include materials required for installation of firefighting in compliance of requirement renewal of no objection certificate from Maharashtra Airport Development Authority and other miscellaneous materials are required for regular operation, maintenance and repairs of unit and packaging/ consumable materials.

The estimation requirement of materials for the unit is based on the following considerations:

- 1) The Certified copy list of materials for authorized operations in process area is required for making application to Development Commissioner, MIHAN-SEZ.
- 2) The industry has been established in MIHAN-SEZ area which is in operation and doing production of Processed Niger Seed (Cleaning and disinfection).
- 3) The unit was setup in 2001 and was taken over by the present Management in October 2018. The brief details of the unit are as under
 - a) Rated Capacity = 15000.00 Te/ Year
 - b) Industrial Plot Area = 4046.86 Sqm
 - c) Industrial Shed, Buildings and Services
 - i) Buildings Built Up Area = 2075.08 Sqm (Ground Plus 3 Floors)
 - ii) Industrial Shed = 541.34 Sqm
 - iii) Boiler Shed = 94.50 Sqm
 - iv) Security Post Built Up Area = 7.92 Sqm

- v) Compound Wall with Security Gate
- vi) Services like Power Supply, Water Supply, etc.
- d) Unit Operations – One Shift Per Day
- e) The photographs taken during inspection of the unit are attached at Annexure III
- 4) Unit has one time requirement of firefighting system for obtaining fire no objection from Maharashtra Airport Development Company, so work order for supply and installation of Fire System has been placed by the company on M/s Devansh Enterprises, 203, Swastik Sankul Apartment, Hudkeshwar.
- 5) It was informed during inspection that the renewal letter of approval for authorizes operation for the said unit in special economic zone have been issued vide Letter No. MIHAN-SEZ/UNIT/04/2013-14/Vol-I/322, dated 11.11.2020 and company has submitted three lists for material required for authorized operation which were examined, discussed and verified.
- 6) It is certified that materials mentioned in the lists attached from Annexure I to III are required for authorized operation in the processing area.

The information furnished in this report is based on the documents provided, discussion and inspection of the industrial unit which is true and correct to the best of our knowledge and belief.
